

Monese Customer Terms and Conditions August 2020

Important information you need to know

Please read these terms and conditions (the "**Terms and Conditions**") carefully before using your Monese Account or activating your Monese Card or using any of our services. Your Monese Card and any e-money issued to you is issued by either PPS UK or PPS EU (see details below) pursuant to a licence granted by Mastercard International.

Monese has been appointed as an agent of PPS UK and PPS EU. This Agreement is between us and you, the Monese Account Holder. Any notice given to you will be in accordance with the terms of this Agreement.

By confirming that you agree to the terms of this Agreement when submitting an application for a Monese Account, or by using your Monese Account or activating your Monese Card and/or using our services after you have been notified of any changes to this Agreement, you accept this Agreement. 2. SCOPE OF THIS AGREEMENT

2.1 Depending on the Monese Account you choose, your Monese Account is an e-money account held in a Monese GBP Account (in pounds sterling), a Monese EUR Account (in euros) or a Monese RON Account (in RON). If you choose to have a Monese Card that is associated with your Monese EUR Account or your Monese GBP Account, the Monese Card will be a prepaid debit card not a credit card, a charge card or debit card. If you choose to have a Monese Card that is associated with your Monese RON Account, the Monese Card will be a debit card not a credit card or a charge card.

2.2 The Monese Account is an electronic money product and the electronic money stored in the Monese Account is issued by PPS and distributed and administered by Monese as agent for PPS.

2.3 All Monese Cards are issued by PPS pursuant to PPS's licence from Mastercard. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated. Your Monese Card remains PPS's property.

2.4 Your rights and obligations relating to the use of your Monese Account and Monese Card are as set out in this Agreement between you and us; you have no rights against Mastercard or its respective affiliates. If you experience any difficulties in using your Monese Account and/or Monese Card you should contact Customer Services.

2.5 This Agreement is written and available in English and any other language in which you are able to use the Monese App. All our communications with you relating to this Agreement, the Monese Account and any Monese Card will be in English or the language you have selected in the Monese App. In case of any discrepancy or misinterpretation the English version of these Terms and Conditions will prevail in all circumstances.

2.6 You acknowledge that we may communicate with you by e-mail and/or SMS and/or via the Monese App when we provide you with any service notifications or other information about your Monese Account and therefore it is important that you ensure you keep your e-mail address and mobile phone number updated via the Monese App. You may download a copy of this Agreement from our website (www.monese.com/terms).

2.7 If you wish to make use of services provided by an Authorised Third Party Provider on your Monese Account, you may do so provided that you have signed up to use the Monese App, your Monese Account is active, and you have given the necessary consents which the Authorised Third Party Provider is required by Applicable Laws and Regulations to obtain from you in order to provide their services. We advise that before using an Authorised Third Party Provider, you ensure that the Authorised Third Party Provider is authorised by a regulator to provide their services.

2.8 Once you have given your consent to an Authorised Third Party Provider to provide you with their services we are obliged to provide access to your Monese Account if it is requested by an Authorised Third Party Provider and can only refuse access in certain circumstances.

2.9 If you do not wish to use services provided by an Authorised Third Party Provider on your Monese Account, you simply refuse to provide your consent to an Authorised Third Party Provider.

3. APPLYING FOR AND REGISTERING YOUR MONESE ACCOUNT

3.1 To apply for a Monese Account, you must be at least 18 years old.

3.2 We will register your Monese Account for you on the basis of the Information that you have provided to us. You must provide accurate information and tell us of any changes to your Information as soon as possible so that our records remain correct.

3.3 We may confidentially verify the information you provide us with or obtain information on you ourselves or through third parties from secure databases. Some of the searches which we or a third party may perform, such as a credit check, may leave a soft footprint on your credit history. This will not affect your credit rating. By entering into the terms of this

Agreement, you confirm that you consent to us or a third party on our behalf carrying out such verifications.

3.4 If we discover that the information we hold about you is incorrect, we may have to suspend or cancel your Monese Account until we can establish the correct information, in order to protect us both.

3.5 To use the Monese Account, you will need to download the Monese App via your mobile phone.

3.6 A Monese Account is for personal use only, not for business use. If you use your Monese Account for business purposes we may close your Monese Account immediately.

4. RECEIVING AND ACTIVATING A CARD

4.1 Upon your request we will issue the Monese Card associated with your Monese Account. The Monese Card will be posted to your home address, as provided to us by you. The Monese Card will be posted to your home address, as provided to us by you.

4.2 When you receive the Monese Card, you must immediately sign it and activate the Monese Card via the Monese App. If the Monese Card is intercepted before you receive it you will not be liable for any misuse.

4.3 Once the Monese Card has been activated, the Monese App will provide a PIN. You undertake never to reveal the PIN to anybody and to keep the Monese Card safe. We will not reveal the PIN to a third party.

4.4 You may change the PIN at most ATMs that have PIN change functionality. When selecting or changing the PIN, you must not select a PIN that may be easily guessed, such as a number that:

4.4.1 is associated with you, such as your telephone number or birth date; or

4.4.2 is part of data imprinted on the Monese Card; or

4.4.3 consists of the same digits or a sequence of running digits; or

4.4.4 is identical to a previously selected PIN.

5. USING THE MONESE CARD

5.1 The Monese Card can be used at any Merchant to make purchases in-store, via the internet or over the phone and can be used to obtain cash through ATMs within the EEA (and the UK from 31st December 2020) and in other countries (fees may apply, see paragraph 11). When using your Monese Card to make purchases online, you may need to provide additional information and, in some cases, you may be asked to take an additional security step to confirm you are you before the payment is accepted. This is to ensure the

online payments you make are secure and is known as Strong Customer Authentication (“SCA”).

5.2 You will need to authorise each transaction at any Merchant by entering the PIN or other security code or, if the Merchant does not accept chip and PIN authorisation, the Merchant may allow you to authorise the transaction by signature of the receipt. A transaction can also be authorised by tapping the Monese Card against a Contactless-enabled reader. You can make 5 consecutive Contactless transactions after which any Contactless transactions will be declined and you will need to enter your PIN to authorise the transaction. We may refuse to execute a transaction if the transaction is unlawful or fraudulent. We will treat the transactions as authorised by you if:

5.2.1 the Monese Card PIN or other security code personal to you is used; or

5.2.2 the Monese Card is used and you have authorised the transaction by signature of the receipt.

5.3 The Monese Card is a prepaid debit card, which means that the Available Balance will be reduced by the full amount of each transaction you make, plus any applicable taxes and charges, including additional ATM charges if any. You must not use the Monese Card if the Full Deductible Amount exceeds the Available Balance.

5.4 Once you have authorised a particular transaction, you will not be able to withdraw your consent to that transaction.

5.5 The Monese GBP Card can be used to make transactions in a currency other than pounds sterling, the Monese EUR Card can be used to make transactions in a currency other than euros and the Monese RON Card can be used to make transactions in a currency other than RON (each such transaction being a “Foreign Currency Transaction”). The amount deducted from your Monese Account will be converted to euros on the day of receipt of the transaction request. We will use a wholesale rate set by Mastercard. Exchange rates can fluctuate and they may change between the time you authorise a transaction and the time it is deducted from your Available Balance. You can find out the exchange rate applied to a transaction in your transaction history. When you use the Monese Card to make a Foreign Currency Transaction, we will charge an additional foreign currency exchange fee (see paragraph 11).

5.6 Due to security safeguards, Merchants that accept the Monese Card are required to seek authorisation from us for all of the transactions you make. In some circumstances Merchants may require you to have an Available Balance greater than the value of the transaction they wish to make. You will only be charged for the actual and final value of the transaction you make. Merchants request this as they may need to access more funds than you initially planned to spend. This may be the case for:

5.6.1 hotels, rental cars, and

5.6.2 internet Merchants – certain internet Merchant sites will, on registration or at checkout stage, send a request for payment authorisation to verify if funds are available. This will temporarily impact the Available Balance.

Many Merchants, particularly online Merchants, will not deduct payment from a Monese Card until goods are dispatched. You should be aware of any payments that will be deducted in this manner when you are making other purchases to ensure that your Available Balance is enough to cover all purchases. We will not block funds in instances of transactions of unknown amounts as suggested under 5.6.1 and 5.6.2 unless you authorise the exact amount of funds to be blocked. We will release any blocked funds without undue delay after becoming aware of the amount of the payment transaction, and in any event immediately after receipt of the payment order.

5.7 Where you have agreed that another person can take a payment made from your Monese Account (e.g. if you have given your Monese Card details to a retailer for the purpose of making a payment for renting a car or booking a hotel room), you can ask us to refund a payment if all the following conditions are satisfied:

5.7.1 the authorisation given did not specify the exact amount to be paid;

5.7.2 the amount that has been charged to your Monese Account was more than you could reasonably have expected to pay, based on the circumstances, including previous spending patterns; and

5.7.3 you make the refund request within eight weeks of the date when the payment was taken from your Monese Account.

5.8 We may ask you to provide information as is reasonably necessary to verify that conditions in 5.7.1 – 5.7.3 are satisfied.

5.9 If you ask us to make a refund under paragraph 5.7 then, within 10 Working Days of the date we receive your request (or if we ask for more information under paragraph 5.8, within 10 Working Days of the date we receive that information) we will either:

5.9.1 refund the payment in full; or

5.9.2 tell you the reasons why we do not agree to the refund.

5.10 You will not be entitled to a refund under paragraph 5.7 if:

5.10.1 you have given us your consent for the payment to be made; and

5.10.2 where applicable we (or the person or a Merchant you agreed to pay) have given you information on the payment in question at least four weeks before the due date of the payment; or

5.10.3 if the payment in question was higher than you reasonably expected to pay is due to a change in any currency exchange rate.

5.11 Paragraph 5.10 does not limit your rights under the Direct Debit Guarantee Scheme (Monese GBP Accounts and Monese GBP Cards only) and SEPA Direct Debit Customer Protection (Monese EUR Accounts and Monese EUR Cards only).

5.12 If a Merchant agrees to give you a refund for a purchase made using the Monese Card, the funds will be added to the Available Balance of the Monese Account when we receive the funds from the Merchant.

LIMITS ON THE USE OF THE MONESE CARD

5.13 The Monese Card cannot be used in all situations. Where it is not possible to obtain online authorisation that you have a sufficient Available Balance for the transaction, the Monese Card cannot be used. This may be the case for transactions on trains, ships, and some inflight purchases. You will be responsible if an offline transaction does go through for whatever reason and you must repay us the amount that exceeds the Available Balance.

5.14 The Monese Card should not be used as a form of identification.

5.15 The Monese Card should not be used for any illegal purpose or in any manner prohibited by law.

5.16 The Monese Card should not be used for gambling, for any adult entertainment, for Quasi Cash transactions or transactions related to industries trading in cryptocurrencies.

5.17 We may ask you to surrender any Monese Cards at any time for a valid reason in accordance with the provisions in paragraphs 15 or 16 or 17 of this Agreement.

EXPIRY DATE

5.18 The expiry date of the Monese Card is printed on the front of the Monese Card. You will not be able to use the Monese Card once it expires. If you request a replacement Monese Card, we may send you a replacement Monese Card (fees may apply, see paragraph 11).

5.19 You are responsible for the use of any Monese Cards issued to you under this Agreement and any fees or charges that any Monese Cards may incur.

6. USING THE MONESE ACCOUNT

6.1 If you have a Monese EUR Account and you are an EU Customer, you can use your Monese Account for setting up Direct Debits and for sending and receiving SEPA Credit Transfers and for Foreign Currency Transactions, each subject to Monese Account Limits.

6.2 If you have a Monese GBP Account, you can use your Monese Account for setting up Direct Debits, for making UK Faster Payments and for Foreign Currency Transactions, each subject to Monese Account Limits.

6.3 If you have a Monese RON Account, you can use your Monese Account for sending and receiving Transfond payments and for Foreign Currency Transactions, each subject to Monese Account Limits.

ADDING FUNDS TO THE MONESE ACCOUNT

6.4 You can add money to your Monese Account in various ways, provided it is within your Monese Account Limits.

6.5 You can add money to your Monese Account in the following ways (also called “Inbound Payment Methods”):

6.5.1 by topping up with a debit card registered with us. The stored debit card must be in your name and this will enable you to instantly top-up your Monese Account. You will also be able to set up regular or threshold-triggered automated top-ups from a debit card registered with us;

6.5.2 by topping up with a debit card in your Apple Wallet;

6.5.3 by using Apple Pay or Google Pay to load money to your Monese Account from cards registered in your name that are compatible with either Apple Pay or Google Pay and in markets where either Apple Pay or Google Pay are available;

6.5.4 by adding cash if you have a Monese GBP Account via the following methods:

(a) UK Post Office;

(b) PayPoint;

6.5.5 by adding cash to your Monese EUR Account at certain Merchants with the use of Paysafe;

6.5.6 by requesting money from other Monese users near you when you’re both using the Monese App;

6.5.7 by receiving your salary into your Monese Account.

6.6 To add money to your Monese Account, you need to follow the instructions in your Monese App. We are not responsible for any money until it is received by us.

6.7 The list of Inbound Payment Methods at paragraph 6.5 above is not a final and complete list and we may change or stop any of the Inbound Payment Methods available to you at any time without informing you.

6.8 Some of the Inbound Payment Methods that we offer to you from time to time depend on the services of third parties and you may have to agree to the terms and conditions of these third parties before you can use them. We are not responsible for the services provided by third parties.

6.9 The Inbound Payment Methods available to you will depend on a number of factors, including where you live.

6.10 Funds can also be added to your Monese Account through incoming International Payments and you will require Monese International Deposit Account details for this. Subject to paragraph 6.11, we will credit the Monese Account when we receive the funds.

6.11 Depending on how funds are added to the Monese Account, fees may apply, see paragraph 11.

6.12 We may not credit your Monese Account with a payment intended for your Monese Account if:

6.12.1 the Monese Account has reached the Monese Account Maximum Balance or Monese Account Limits;

6.12.2 the Monese Account is inactive or blocked;

6.12.3 the sender has provided incorrect/invalid Monese Account Details for your Monese Account;

6.12.4 we suspect fraudulent activity on your Monese Account; or

6.12.5 to do so is prohibited by any law.

6.13 The funds may be sent back to the sender without notifying you if paragraph 6.12 applies.

UK FASTER PAYMENTS, SEPA CREDITS AND INTERNATIONAL PAYMENTS TRANSFERS OUT

6.14 To make a transfer out from your Monese Account, you must first set up the intended recipient of the payment as a new payee in your Monese Account by entering the details of the person you wish to pay as set out in the following table:

	Monese EUR Account	Monese GBP Account	Monese RON Account	Monese EUR Account or Monese GBP Account or Monese RON Account
Type of transfer	SEPA Credit Transfer	UK Faster Payment	Transfond Payment	International Payment
Details of the person you wish to pay (the “ Unique Identifier ”)	Name and IBAN together	Name and Account number and Sort code	Name and IBAN together	Name and either IBAN together with BIC or SWIFT code or Bank account number

You will then undergo some security authorisation steps on the Monese App.

6.15 Once the security authorisation steps have been successfully completed, a payment to that authorised payee can be made via the Monese App. Provided we process the payment transaction in accordance with the Unique Identifier provided by you, we will not be liable for any non-execution or defective execution if the Unique Identifier provided is incorrect.

6.16 It is your responsibility to check there is sufficient Available Balance before sending any payments out. If your Monese Account does not have sufficient Available Balance your payment will be rejected.

6.17 If you update your mobile number via the Monese App or Customer Services, you are not able to set up a new payee for making payments for 24 hours.

6.18 If a payment is rejected by the recipient bank, a refund is automatically credited to your Monese Account after we receive the funds from the recipient bank.

DIRECT DEBITS FROM A MONESE ACCOUNT

6.19 To set up a Direct Debit from your Monese Account, you must first authorise the organisation taking Direct Debit payments from your Monese Account.

6.20 If a Direct Debit on your Monese Account specifies that a payment is to take place on a specified day or on the last day of a certain period, then we will treat the Payment Instruction as being received on the day specified.

6.21 Any Direct Debit payment is usually taken from your Monese Account at the beginning of the Working Day it is due.

6.22 It is your responsibility to check there is sufficient Available Balance before any payment is due. If your Monese Account does not have sufficient Available Balance any Direct Debit payment will be rejected.

6.23 In the case of a Direct Debit, you can revoke a payment order at any time up to the end of the Working Day preceding the day agreed for debiting the funds. The revocation will be effective for all future Direct Debits.

INTERNATIONAL PAYMENTS

6.24 The Monese Account can be used to make outgoing International Payments in currencies other than the underlying currency of your Monese Account (i.e other than euros for a Monese EUR Account, pounds sterling for a Monese GBP Account and lei for a Monese RON Account). Monese will transfer the relevant funds and details of your Payment Instruction to a third party currency exchange and payment services provider in order to complete the transaction.

6.25 The amount deducted from your Monese Account will be converted to the selected foreign currency on the day we receive the transaction request at the latest exchange rate available to us by the third party currency exchange and payments service provider that will perform the currency exchange and/or transfer the funds. The applicable exchange rate and any additional fee will be displayed in the Monese App before you authorise the transaction.

6.26 You can make International Payments into your Monese Account using the Monese International Deposit Account details displayed in the Monese App in pounds sterling, euros or Romanian lei. If you have Monese GBP Account and the payment is received in pounds sterling, your Monese GBP Account will be credited in the same currency, otherwise the pounds sterling will be converted to your main Monese Account (EUR Account in euros or RON Account in lei). If you have a Monese EUR Account and the payment is received in euros your Monese EUR Account will be credited in the same currency, otherwise the euros will be converted to your main Monese Account (GBP Account in pounds sterling or RON Account in lei). If you have a Monese RON Account and the payment is received in lei your Monese RON Account will be credited in the same currency, otherwise the lei will be converted to your main Monese Account (GBP Account in pounds sterling or EUR Account in euros). For the conversion, a third party currency exchange and payments service provider will exchange the amount of the funds received into euros, pound sterling or lei and Monese will arrange for the relevant funds amount to be credited to PPS and PPS will credit your Monese Account.

6.27 Monese will not charge a fee to receive International Payments. Some sending banks or intermediary banks will charge fees for sending the International Payments to the Monese International Deposit Account in which case we will deduct such fees from the amount received before crediting your Monese Account.

6.28 You can get more information on which currencies we support for International Payments, the exchange rate for outgoing payments in the Monese App, and any fees applicable in paragraph 11 and/or on the Website.

Type of Transaction	Timescale
An outgoing transaction from pound sterling to euro or vice versa	If your payment order is received by us by 2pm on a working Day the payment will be made by the end of the next Working Day
Any other outgoing transaction	If your payment order is received by us by 2pm on a working Day the payment will be made by the end of the fourth Working Day
Incoming payment	Funds will be added to your Monese Account the same Working Day we receive the funds

6.29 We will only allow a payment to be made if the payment is within your Monese Account Limits and there is sufficient Available Balance.

6.30 The time of receipt of a transaction order is when we receive it. If receipt of the transaction is received at the end of a Working Day, it is deemed to be received on the following Working Day. You cannot stop a transaction after it has been transmitted to us and you have given your consent, or when you have given your consent to a pre-authorized payment.

6.31 In relation to any payment order you give directly to us we will on request from you tell you the maximum execution time and the amount of any charges payable, including a breakdown if appropriate.

AUTHORISATION FOR PAYMENTS AND STOPPING PAYMENTS

6.32 It is your responsibility to ensure you provide correct recipient account details and payment amount when making any payment or setting up a payee. You are responsible if you give us incorrect instructions or mistakenly instruct us to make the same payment more than once, but we will try to help you get the money back. We may not always be able to do this, but we will do all we can. We may charge you a fee for tracing, recalling or cancelling a payment. If we cannot get the money back, you can request the relevant information we have about the transaction to help you reclaim the money. We will provide this information on receiving a written request from you, unless the law prevents us doing so.

6.33 You can authorise us to make a payment from your Monese Account via the Monese App by setting up electronic payments and giving us instructions via a third party, such as through a Payment Initiation Service Provider or via a Direct Debit. We will treat a payment as authorised by you if:

6.33.1 the transaction was authorised from the Monese App using the required app entry passcode or credentials and that the payee had been approved using the verification code sent in the payee approval SMS;

6.33.2 a Payment Initiation Service Provider has made a payment from your Monese Account; or

6.33.3 you have set up or agreed to any Direct Debit payments to be taken from your Monese Account.

6.34 We may refuse to execute or process a payment (without prior notice to you) if:

6.34.1 the Monese Account does not have sufficient Available Balance to cover the payment; or

6.34.2 the Monese Account is suspended or closed; or

6.34.3 the Monese Account has reached its Monese Account Limits; or

6.34.4 we need to do so to comply with the rules of the payment system; or

6.34.5 we suspect fraudulent activity on your Monese Account or the payment is unlawful or fraudulent;

6.34.6 we are concerned about fraud or unauthorised access to your Monese Account by a Payment Initiation Service Provider; or

6.34.7 required to comply with any law.

6.35 If we refuse to process a payment under paragraph 6.34:

6.35.1 we will notify you via email/SMS/in-app of the refusal and unless the law prevents us we will tell you the reasons at the earliest opportunity and no later than the end of the next Working Day following receipt of the payment order;

6.35.2 we will not be liable for any loss this may result in, nor will we be obliged to inform the intended recipient;

6.35.3 you can check the Monese Account to ensure there was enough Available Balance and/or that correct recipient details were provided and if you contact Customer Services we will if possible tell you what you can do to correct any errors in the Payment Instruction;

6.35.4 due to concerns detailed in paragraph 6.29.6.

6.36 In the event of suspected or actual fraud or security threat to your Monese Card or Monese Account, we will use SMS, telephone, post, email or another secure procedure to contact you. We may ask you to verify your identity for security purposes.

6.37 You will generally not be able to stop any payment once it has been authorised by you or Payment Initiation Service Provider. However, if you may be able to stop a Direct Debit payment provided that:

6.37.1 you cancel the Direct Debit before the end of the Working Day preceding the day your Monese Account is due to be debited; and

6.37.2 the payment has not already been made.

6.38 If you stop or cancel a Direct Debit, you must tell the recipient to whom the Direct Debit is payable. We will not be responsible if you fail to inform them and the recipient will not have any claim against us.

6.39 If, for any reason, a payment is processed for an amount greater than the Available Balance on your Monese Account, you must repay us the amount by which the Full Deductible Amount exceeds your Available Balance immediately after receiving an invoice from us. Should you not repay this amount immediately after receiving an invoice from us we reserve the right to take all steps necessary, including legal action and/or closing the Monese Account, to recover any monies outstanding.

6.40 If, for any reason, a payment made to a recipient within the EEA arrives later than intended, you may request us to contact the receiving bank or institution and ask them to treat this payment so that the credit value date matches that of the intended date of receipt of the payment.

6.41 The Available Balance on the Monese Account will not earn any interest.

7. CHECKING YOUR MONESE ACCOUNT BALANCE

7.1 You can check the Available Balance and transaction history on the Monese Account via the Monese App.

7.2 Each payment will have a unique transaction reference.

7.3 Your monthly Monese Account statements will be available at all times in the Monese App, these can be obtained by clicking on the Account tab and selecting "Get a statement". We will send you a monthly email to inform you that your Monese Account statement has been updated.

8. CANCELLING, CLOSING YOUR MONESE ACCOUNT AND REDEEMING E-MONEY

8.1 You may close your Monese Account and cancel any Monese Card at any time by contacting Customer Services (see paragraph 22 below). Closure of a Monese Joint GBP Account will also be governed by paragraph 12. Subject to Monese Account Limits, you may transfer any Available Balance from a Monese GBP Account to a UK bank account via UK Faster Payments in pounds sterling, from a Monese EUR Account to any bank account within the SEPA Region via SEPA Credit Transfer in euros or from a Monese RON Account to any bank account within Romania via Transfond in lei before cancelling your Monese Account.

8.2 Subject to paragraph 8.4, once the Available Balance is redeemed and the Monese Account is closed, your Agreement will terminate. However, if paragraph 8.4 applies to your Monese Account then your Monese Account will remain active and your Agreement will continue to apply to you until there is no money outstanding on your Monese Account.

8.3 Once your Monese Account is closed all Direct Debit transactions that were set up on the Monese Account will be rejected.

8.4 If we find any additional withdrawals, fees or charges have been incurred on your Monese Account following the processing of the redemption request, we will send an itemised invoice to you and we will require you to refund us immediately after receiving the invoice. Should you not repay this amount immediately after receiving an invoice from us we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding.

8.5 Even if you do not wish to close your Monese Account and cancel you Monese Card you can at any time redeem any part of monetary value by transfer from a Monese GBP Account to a UK bank account via UK Faster Payments in pounds sterling, from a Monese EUR

Account to any bank account within the SEPA Region via SEPA Credit Transfer in euros, from a Monese RON Account to any bank account within Romania via Transfond in RON or by cash withdrawal at an ATM (subject to Monese Account Limits).

8.6 Any Available Balance remaining on the Monese Account after the date of termination of this Agreement (“Termination Date”) will remain yours for a period of six years from the Termination Date. Within this period, you may at any time transfer any Available Balance on the Monese Account to a UK bank account via UK Faster Payments in pounds sterling or to an IBAN via SEPA Credit Transfer in euros or to an IBAN via Transfond in RON (subject to the Monese Account Limits). You will not have access to your Monese Account and we will not return any funds remaining on the Monese Account after six years from the Termination Date. We may charge you redemption fee for this service of €5 for a Monese EUR Account, £5 for a Monese GBP Account and 20 lei for Monese RON Account.

9. YOUR LIABILITY AND AUTHORISATIONS

9.1 You are responsible for the use of your Monese Account and any Monese Cards issued for your Monese Account.

9.2 You are responsible for keeping your Monese Card, security information related to your Monese Card and Monese Account and Monese App credentials safe.

9.3 You must not:

9.3.1 allow a third party other than an Authorised Third Party Provider to use your Monese Account to provide you with their Services;

9.3.2 allow another person to use your Monese Card;

9.3.3 write down your PIN or any security information in a way that enables a third party to make fraudulent use of your Monese Account or Monese Card;

9.3.4 disclose or make available your PIN or other security information related to your Monese Card and Monese Account to third parties;

9.3.5 disclose or make available your Monese App credentials to a third party unless the third party is an Authorised Third Party Provider and you want to use services provided by them; or

9.3.6 enter the PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached or is operating in a suspicious manner.

9.4 You will be responsible for all transactions which you and a Payment Initiation Service Provider authorise in accordance with the provisions of this Agreement.

9.5 You will be liable for all transactions that take place as a result of your acting fraudulently or failing to comply with this Agreement with intent or gross negligence.

9.6 You agree to indemnify and hold harmless, us and our distributors, partners, agents, sponsors, and service providers and their group companies from and against the costs of any legal action taken to enforce this Agreement and/or any breach of this Agreement or fraudulent use of the Monese Account, Monese Card, Monese App log-in details, or PIN or authorised by you.

9.7 The Monese App is only supported on devices where the operating system has not been modified, or jailbroken, or configured to allow software installation from sources other than those approved by Monese (including but not limited to the Apple App Store and Google Play). Use of the Monese App on such a device is at your risk and we cannot be held responsible for any financial loss or loss of data or Information.

10. LOST, STOLEN OR DAMAGED CARDS

10.1 In the event of loss, theft, fraud, or any other event that results in the risk of an unauthorised use of the Monese Card or Monese Account, or if the Monese Card is damaged or malfunctions, you must ensure that the Monese Card is blocked via the Monese App immediately or contact Customer Services. Please refer to paragraph 22 for further information as to how you can contact Customer Services.

10.2 Provided that you have followed one of the steps in accordance with paragraph 10.1 and that paragraph 10.4 does not apply, then you will not be liable for losses that take place following the date on which you asked for your Monese Card and/or Monese Account to be blocked via the Monese App or by speaking to Customer Services. If there is an Available Balance remaining on your Monese Account, you can request for a replacement Monese Card for your Monese Account via the Monese App. If we replace the Monese Card, the Monese Card will be delivered to your home address (fees apply, see paragraph 11).

10.3 In the event that we have reason to believe that you have acted fraudulently or have acted with gross negligence or intentionally (i) in failing to notify us of the lost or stolen Monese Card or Monese Account security details or (ii) where you have failed to keep their Monese Card or security information related to the Monese Card or Monese Account safe or (iii) where you have breached this Agreement, then you shall be liable for all resulting losses.

10.4 Subject to 10.3, you may be liable up to a maximum of €50 (if you have a Monese EUR Account) or £35 (if you have a Monese GBP Account) for any losses you incur for unauthorised payment transactions using your Monese Account or Monese Card where the Monese Account or Monese Card security information has been lost or stolen, or where you have failed to keep such security information safe from misappropriation. This charge, however, will not apply if: it was not possible for you to detect the loss, theft or misappropriation before the payment was made (unless you have acted fraudulently) or the loss was caused by an employee or agent of us or of anybody which carried out the activities on our behalf.

The fees shown in euros apply if you have a Monese EUR Account, the fees shown in pounds sterling apply if you have a Monese GBP Account and the fees shown in RON apply if you have a Monese RON Account. For residents of Ireland please note an additional tax for cash withdrawals is incurred. We debit this amount retrospectively from your account for the preceding year.

11.4 Monthly fee is paid once a month in advance for the upcoming monthly fee period. The monthly fee period is 30 consecutive calendar days, based on 360 day calendar year, which means if you pay your monthly fee on February 2nd then the next monthly fee will be charged on the same day each month. If your next payment date is scheduled for a date that does not occur in a given month, you will be charged on the last day of that month instead. If your Monese Accounts have an Available Balance which is less than the agreed monthly fee, no monthly fee will be taken from your Monese Account. The agreed monthly fee payments and monthly fee period will recommence when your Available Balance is greater than the agreed monthly fee.

11.5 We will deduct any taxes or charges due from the Available Balance on your Monese Account. If there is no Available Balance of funds, or taxes or charges exceed the balance of funds available on your Monese Account we will deduct these from the Available Balance of

any other Monese Account you have opened with us. If your Available Balance on the other Monese Account is in a currency other than the taxes or charges due, we will convert the funds from such Monese Account at the exchange rate set by the third party currency exchange and payments service provider Monese uses for the International Payments.

11.6 In case the Available Balance on any of your Monese Account is not sufficient we shall send an invoice to you and will require you to refund us immediately after receiving the invoice. Should you not repay this amount immediately after receiving an invoice from us we reserve the right to take all steps necessary, including legal action, to recover any monies outstanding. If for any reason you don't have enough balance on your Monese Account to cover the monthly fee, we will just deduct the next month's monthly fee the next time you deposit money and no monthly fee will be charged for the period when you had insufficient balance.

11.7 Monese Simple Customers may upgrade to become a Monese Classic Customer or Monese Premium Customer at any given time in the Monese App. Upon upgrade you must have sufficient Available Balance for at least one monthly fee payment as a Monese Classic Customer or as Monese Premium Customer. Should you not have sufficient Available Balance on your Monese Account we may still upgrade you and create a pending monthly fee payment which will be payable by you upon sufficiently funding your Monese Account. If you have ordered as a Monese Starter Customer a Monese Card and payment for the card has not been taken before the upgrade you will still be liable for payment of this card.

11.8 Monese Classic Customers or Monese Premium Customers may downgrade to become a Monese Simple Customer after payment of at least the first monthly fee. After this the downgrade to Monese Simple can be made at any time which will come into force at the end of the monthly fee period.

11.9 Monese Classic Customers may upgrade to become a Monese Premium Customer at any given time in the Monese App. If the upgrade happens in the middle of the billing period, Monese will calculate the remaining fee amount proportionally to the number of days left until the end of the Classic Plan billing period, this amount will be deducted from the first monthly fee of the Premium tier after the upgrade. Upon upgrade you must have sufficient Available Balance for at least one monthly fee payment as a Monese Premium Customer. Should you not have sufficient Available Balance on your Monese Account we may still upgrade you and create a pending monthly fee payment which will be payable by you upon sufficiently funding your Monese Account.

11.10 Monese Premium Customers may downgrade to become a Monese Simple Customer or Monese Classic Customer after payment of at least the first monthly fee. After this the downgrade to the Classic Plan can be made at any time which will come into force at the end of the Premium Plan billing period.

12. MONESE JOINT GBP OR EUR ACCOUNTS

12.1 A Monese Joint GBP Account is available only to UK Customers. A Monese Joint GBP Account can be opened from within the Monese App insofar as two prospective Monese Joint Account Holders are existing Monese UK Customers.

12.2 A Monese Joint EUR Account can be opened from within the Monese App insofar as two prospective Monese Joint EUR Account Holders are existing Monese EUR Account

Holders. Each prospective Monese Joint EUR Account Holder must be resident in any EEA country excluding the UK and France.

12.3 There can be no more than two Monese Joint Account Holders for each Monese Joint GBP Account.

12.4 Each Monese Joint Account Holder can operate a Monese Joint GBP Account on their own, and except where expressly set out in this paragraph 12, we do not have to check with the other Monese Joint Account Holder before carrying out any Monese Joint Account Holder's instructions (even if only one of the Monese Joint Account Holders has put money into the Monese Joint GBP Account). Examples of activities which a Monese Joint Account Holder can carry out without the knowledge or consent of the other include (without limitation), taking money out of the Monese Joint GBP Account, asking for statements and correspondence for the Monese Joint GBP Account, adding new payees to the Monese Joint GBP Account, and ordering replacement Monese GBP Cards or Monese EUR Cards (as relevant).

12.5 We will allow withdrawals and payments, or anything else required by either Monese Joint Account Holder. We can rely on information given by one Monese Joint Account Holder about the other.

12.6 Each Monese Joint Account Holder is separately responsible for, and together both Monese Joint Account Holders are responsible for, all debt in the Monese Joint Account, including any negative balance. This is known as joint and several liability.

12.7 Both Monese Joint Account Holders shall be able to see all transactions conducted within the Monese Joint GBP Account regardless of which Monese Joint Account Holder carried out the transaction. Each Monese Joint Account Holder shall receive a push notification for every outgoing transaction (subject to your Monese App opt-ins), including the amount of the transaction and remaining balance, regardless of which Monese Joint Account Holder instigated the transaction.

12.8 Where a Monese Joint Account Holder is entitled to a Monese GBP Card for the Monese Joint GBP Account or Monese EUR Card for the Monese Joint EUR Account (as relevant), each Monese Joint Account Holder must order his or her own Monese GBP Card or Monese EUR Card (as relevant), and cannot do so on behalf of the other Monese Joint Account Holder.

12.9 Monese GBP Card and Monese EUR Card transaction limits operate on a per Monese GBP Account/Monese EUR Account basis, not a per Monese GBP Card/Monese EUR Card basis, so if one Monese Joint Account Holder exhausts the daily transaction limit on his or her own Monese GBP Card or Monese EUR Card, the other Cardholder's use of his or her Monese GBP Card or Monese EUR Card (as relevant) shall be restricted accordingly.

12.10 Monese foreign currency spend allowance (specified in paragraph 11) is on per Monese GBP Account basis / Monese Joint EUR Account, not a per Monese GBP Card / Monese EUR Card basis.

12.11 Monese ATM and top-up allowance (specified in paragraph 11) is on per Monese GBP Account basis / Monese Joint EUR Account, not a per Monese GBP Card basis/ Monese EUR Card.

12.12 Unless otherwise instructed by both Monese Joint Account Holders by means of a written signed letter from both Monese Joint Account Holders, we will contact both Monese Joint Account Holders with all Monese Joint GBP Account/Monese Joint EUR Account related communications and monthly statements concerning the relevant Monese Account.

DEATH OR BANKRUPTCY OF A MONESE JOINT ACCOUNT HOLDER

12.13 If a Monese Joint Account Holder dies, then upon receiving official confirmation of the death by way of death certificate, we will act on the instructions of the surviving Monese Joint Account Holder and transfer any money in the Monese Joint GBP Account (or Monese Joint EUR Account, as relevant) into a Monese GBP Account (or Monese EUR Account, as relevant) before closing the Monese Joint Account. If there is a negative balance in the Monese Joint Account at the time of the death, then the surviving Monese Joint Account Holder and the estate of the deceased Monese Joint Account Holder shall be jointly and severally responsible for the overdrawn amount.

12.14 If a Monese Joint Account Holder becomes bankrupt, then we will stop the Monese Joint GBP Account, which shall fall under the joint control of the solvent Monese Joint Account Holder and the person responsible for administering the finances and assets of the bankrupt Monese Joint Account Holder. After stopping the Monese Joint GBP Account it can only be operated on the joint instructions of the Monese Joint Account Holder and the person responsible for administering the finances and assets of the bankrupt Monese Joint Account Holder.

12.15 If we reasonably believe that one of the Monese Joint Account Holders is no longer mentally capable of managing his or her affairs, then we may stop the Monese Joint Account and, at our discretion, require the Monese Joint Account to be operated on the instructions of the other Monese Joint Account Holder and the person appointed by the court to manage the affairs of the mentally incapacitated Monese Joint Account Holder. We will require sight of an appropriate power of attorney or order from the Court of Protection (or such equivalent document as is issued in the relevant EEA country of the Monese Joint EUR Account Holders, as relevant) before allowing further operation of the Monese Joint Account.

DISAGREEMENT BETWEEN MONESE JOINT ACCOUNT HOLDERS

12.16 In the event of a dispute between Monese Joint Account Holders or the Monese Account Holders have split up (where the Monese Joint Account Holders are partners), one or both Monese Joint Account Holders must notify us and we may take steps to prevent either of you giving Payment Instructions or using the Monese GBP Account (or the Monese EUR Account, where relevant) individually until the dispute is resolved, and in such cases we

shall be entitled, at our discretion, to act only on the instructions of both Monese Joint Account Holders or to stop the Monese Joint Account.

12.17 Both Monese Joint Account Holders should take steps to review the statements and transaction history of the Monese Joint GBP Account and to monitor the Available Balance via the Monese App, in order to ensure that the Monese Joint GBP Account is being properly operated by both Monese Joint Account Holders.

CLOSURE OF MONESE JOINT GBP ACCOUNT OR MONESE JOINT EUR ACCOUNT

12.17 Save where provided expressly otherwise in clause 12.13, both Monese Joint Account Holders must agree to the closure of the Monese Joint Account and the transfer of any funds within it at the point of closure in order for the closure to be effective.

13. UNAUTHORISED AND INCORRECT TRANSACTIONS

13.1 If you have a reason to believe that a transaction on your Monese Account was not authorised by you or a Payment Initiation Service Provider, you must inform Customer Services immediately via telephone or in-app chat, but in any event within 13 months of the date of the relevant transaction.

13.2 If you inform us of an unauthorised executed transaction under paragraph 13.1:

13.2.1 the obligation lies with us to prove that the transaction was authenticated, accurately recorded, entered in our accounts and not affected by a technical breakdown or any other deficiency in our services;

13.2.2 we will by the end of the next Working Day following receipt of notification in accordance with 13.1 and subject to 13.2.1 refund the unauthorised amount including any fees to your Monese Account to the position it would have been in if the unauthorised or improperly executed transaction had not taken place.

13.2.3 we are not obliged to refund the unauthorised sums to you if we have any reason to believe that you have acted fraudulently and we may notify the police or any other authority permitted by law. If we don't provide a refund by the end of the next Working Day but subsequently confirm that the transaction was unauthorised, we will refund the unauthorised sums to you straight away. These will be back valued to ensure you suffer no loss.

13.2.4 We will have no further liability to you once we have refunded the unauthorised sums to you. If we subsequently discover on investigation that you were not entitled to a refund, we shall treat the refund as a mistake and be entitled to reapply the transaction, including any fees, to your Monese Account. We shall give you reasonable notice if any such reversal of a refund.

13.3 You will be liable for all unauthorised transactions made from your Monese Account if you have deliberately or with gross negligence failed to keep your Monese Account security

details or Monese Card or Monese Card security information safe in accordance with the terms of this Agreement, or where you have failed to notify us without undue delay on becoming aware that your Monese Account security details or Monese Card or Monese Card security information has been lost, stolen or otherwise misappropriated.

13.4 Unless you have acted fraudulently you will not be liable for any losses in respect of unauthorised transactions from your Monese Account after you have told us that your Monese Card or Monese Card security information or Monese Account security details has been lost, stolen or compromised or where the Monese Card has been used in connection with a distance contract.

13.5 We are responsible for making payments on your Monese Account correctly. If you tell us that a payment has been made incorrectly, we will immediately refund your Monese Account with the amount including fees of the incorrect payment transaction and, restore your Monese Account to the state in which it would have been had the incorrect transaction not taken place. However, this will not apply if:

13.5.1 you fail to tell us of the incorrect payment without undue delay and in any case within 13 months of the date on which the transaction occurred;

13.5.2 any part of the Unique Identifier in the Payment Details you gave us was incorrect. If so, we will make reasonable efforts to recover your money if the payment has gone missing, but we may charge you a fee to cover our costs in doing so. We will tell you how much it is before we start the recovery. If we are unable to recover the funds, you can request the relevant information we have regarding the transaction to help you reclaim payment amount. For legal reasons, we are obliged to provide this information on receipt of a written request, except where the law prevents us from doing so;

13.5.3 we can show that the payment was actually received by the other bank (in which case you are liable for the payment); or

13.5.4 if the failure giving rise to the incorrect payment was due to abnormal and unforeseeable circumstances beyond our control, the consequences of which would have been unavoidable despite all efforts to the contrary, or if it arose because of our obligation to comply with Applicable Laws and Regulations.

13.6 If funds have been paid into your Monese Account by mistake, we can take the funds back out of your Monese Account and/or put a hold on the money so it cannot be spent.

13.6.1 We don't have to tell you before we take the money back or put a hold on the money;

13.6.2 If funds go into your Monese Account by mistake, we are required to provide sufficient details about you and the incorrect payment to the bank or institution that sent the payment to enable them to recover the funds.

13.7 If you have a Monese GBP Account and an error is made in Direct Debit, you will be entitled to a refund from the payee or us under the UK's Direct Debit Guarantee Scheme. If

you have a Monese EUR Account, you may be entitled to a refund under the SEPA Direct Debit Customer Protection.

13.8 Regardless of liability, if you wish to make a request for information regarding the execution of a payment transaction, we will make immediate efforts to trace the transaction and notify you of the outcome, free of charge.

14. VARIATION

14.1 We may change this Agreement, including fees and limits by providing you with at least two months' notice by e-mail (provided you have supplied us with an up-to-date e-mail address). In addition, the most recent version of this Agreement will be available on the Monese App.

14.2 If you do not agree with the changes to the Agreement, you may at any time within the two months' notice period terminate your Agreement and close your Monese Account at that time in accordance with paragraph 8.1 without a charge. However, in the event you do not cancel during this period then you will be deemed to have accepted them and the changes will apply to you.

14.3 If any part of this Agreement is inconsistent with any regulatory requirements then we will not rely on that part but treat it as if it did actually reflect the relevant regulatory requirement.

14.4 There are some situations where we can make changes to this Agreement and we do not have to tell you in advance. These are changes you probably expect because of the nature of the product or service, or that we deem to be an improvement to the service with no negative monetary impact to you. We do not have to tell you personally in advance when any of the following happen:

14.4.1 The change has no monetary detriment to you, better protects customer funds, provides a better service or if we introduce a new service or feature from which you can benefit;
